

## Description

This presentation provides an overview of all relevant aspects of the National Flood Insurance Program. The viewer will learn the basic tenets of the National Flood Insurance Program, including all responsibilities that are the province of the bank.

## Features

Included is information regarding the responsibilities at both account opening (application process), account closing, and ongoing account servicing.

The program is designed to inform banks and their staff about the rules and responsibilities under the regulation.

### > The program covers:

- Regulatory requirements
- Suggestions regarding how the bank should handle the flood determination process
- Practical advice to assist the bank in preparation for complete flood insurance compliance.

### > Those participating learn:

- The basic requirements of the flood insurance program
- Bank responsibilities and appropriate responses to flood insurance issues
- Ongoing requirements for loan servicers
- The examination procedures that will be employed

## Workshop Resources

A detailed manual accompanies this **1 hour and 16 minute** webcast. The manual is designed to be a resource, as it includes the requirements, along with appropriate commentary from Young & Associates, Inc.

## Expected Audience

This course is designed for all financial institution personnel who are involved in compliance with the National Flood Insurance Program, including all levels of personnel.

## Speaker

Bill Elliott, is Senior Consultant and Manager of Compliance for Young & Associates, Inc. based in Kent, Ohio. With over 30 years of banking experience, Bill Elliott conducts compliance reviews, leads compliance seminars, conducts in-house training, and writes compliance articles and training materials.

During his career as a banker, Bill spent 15 years as a compliance officer in a large community bank. He has also been a lender for consumer, commercial, and mortgage loans, and has managed a variety of bank departments including loan review, consumer/commercial loan processing, mortgage loan processing, loan and credit administration, collections, and commercial loan workout.

## What is an On-Demand Course?

It is a training tool that gives you and your staff **on-demand six months unlimited access** to a variety of topics presented by names you trust—for **one low price**. Each course includes a video presentation from the speaker, audio and slides—plus a detailed manual for download and a Question and Answer Forum for answers anytime.

The process is simple. Enroll in a course, pay online with a credit card, and receive an e-mail immediately with your link to your course. The same login information and link is used to access all courses you purchase using your account. Your computer will need speakers to receive the audio presentation. There are no special hardware or software requirements to view the program. Presentations lasting in excess of one hour are broken down into 30 minute segments to make it easier to manage class participation time.

**Special note to Trainers:** This system gives you the ability to develop your online training library. Using one link, user name and password anyone in your organization is able to access the program for six months. The manual and other supporting materials are available to anyone with the login information. You forward the login information, assign the courses to watch and let the learning begin.
