

Video Web Seminar

HMDA: Review and Update

Description

Regulators continue to report significant error rates for HMDA data. Penalties may be imposed for such errors. This program reviews the data collection and reporting rules, the common problems that occur when collecting and reporting the information and issues related to the public disclosure of the information.

Features

Program Content:

The program provides:

- A thorough explanation of which institutions are covered by HMDA and Regulation C;
- A review of which loans are and are not reportable;
- Detailed information on how to complete the LAR;
- Clarification of the handling of secondary market and broker transactions; and
- Steps to identify and eliminate reporting errors and thereby avoid penalties.

Provides a thorough review of HMDA and Regulation C, also includes a detailed manual that serves as a handbook long after the program is completed!

Workshop Resources

Program participants receive a detailed manual, accompanied by a **2 hour 16 minute** video webcast.

Expected Audience

The program is designed for loan officers, compliance officers, loan secretaries and clerks and auditors. Whether you are new to the requirements of HMDA and Regulation C or a seasoned veteran, this program provides a comprehensive review of all of the requirements of HMDA and Regulation C.

Speaker

Jack Holzkecht, is a principal with Pegasus Educational Services, LLC, a training firm headquartered in Louisville, Kentucky. He is an experienced consultant who has provided training to thousands of bankers and examiners for twenty-eight years. He has the ability to identify the key compliance issues from each regulation. Jack's career began in 1976 as a federal bank examiner. He later headed the form and software and education divisions of a regional consulting company. In that capacity he developed loan and deposit form systems and software. He also developed and presented training programs to bankers in 43 states. He developed and delivered compliance training for the FDIC and OTS for ten years. He is a Certified Regulatory Compliance Manager and a member of the National Speakers Association.

What is an On-Demand Course?

It is a training tool that gives you and your staff **on-demand six months unlimited access** to a variety of topics presented by names you trust—for **one low price**. Each course includes a video presentation from the speaker, audio and slides—plus a detailed manual for download and a Question and Answer Forum for answers anytime.

The process is simple. Enroll in a course, pay online with a credit card, and receive an e-mail immediately with your link to your course. The same login information and link is used to access all courses you purchase using your account. Your computer will need speakers to receive the audio presentation.

Live Chat is available with this program! Using our instant message system you are able to chat with the speaker in real time. The link to the speaker chat room is found in your course with other program resources. You will not need a speaker phone. All programs are on-demand. You do not have to wait for a scheduled date and time to participate in the program. To take full advantage of this opportunity, watch the presentation in advance and have your questions ready.

Just a reminder - our BankersVoice forum is always available for your follow-up questions.
